WHAT IS IT?

Club DJ is a club program designed for children in kindergarten to grade 6. All children are welcome! At club, children participate in many different activities such as crafts, games, and a Bible story time. Each child can earn Club DJ coins at their own pace by memorizing Bible verses and doing take-home lessons, along with coins for just coming and even bringing friends! These coins can then be used to receive awards of their choosing from the Club DJ General Store.
